

*Something from history:*

# Hotel Družba Adna

*In its beginnings Hotel Družba provided lodging in 8 double rooms with bathrooms and in 8 rooms without bathrooms. There was also small restaurant available for the guests.*

*Hotel Družba was built up in 1963 and in its 47 years it can boast of several significant reconstruction work. In 2001 a swimming pool was added and the capacity of the hotel was enlarged. In 2003 completion of the apartments continues in Družba's 3-star section and the hotel's restaurant is enlarged.*

*The largest but also the shortest reconstruction lasted from April to December 2006 and involved the remodeling of the now 4-star section of the hotel, Družba \*\*\*\*, the conference rooms and National restaurant, the enlarging of the wellness center and completion of the apartments.*
